THE GREAT HALL

To every thing there is a season

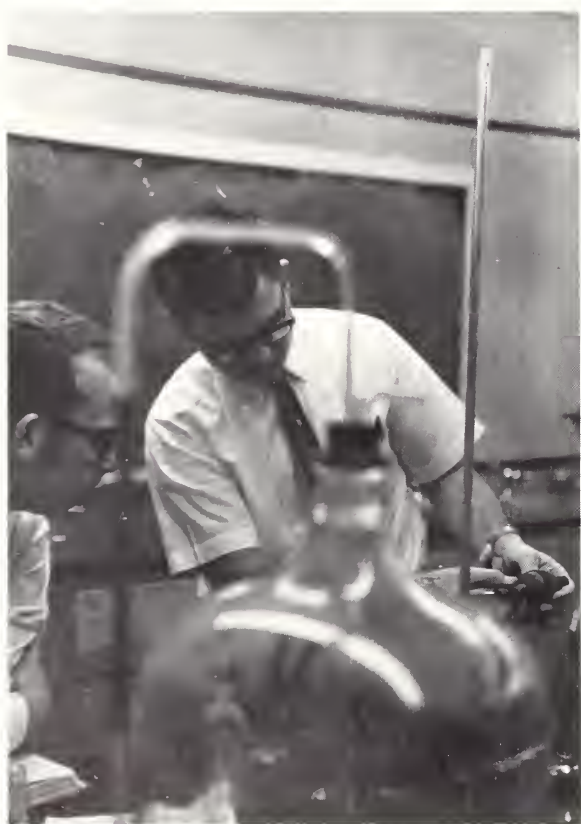

and a time to every purpose

under the heaven

a time to plant ,

and a time to pluck up

that which is planted ,

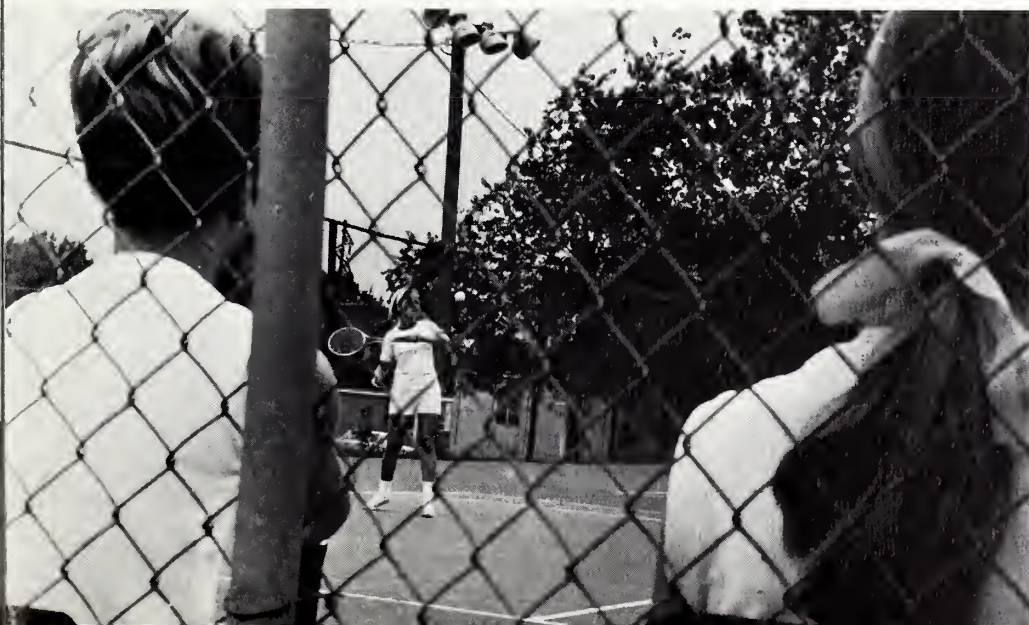

A time to kill ,

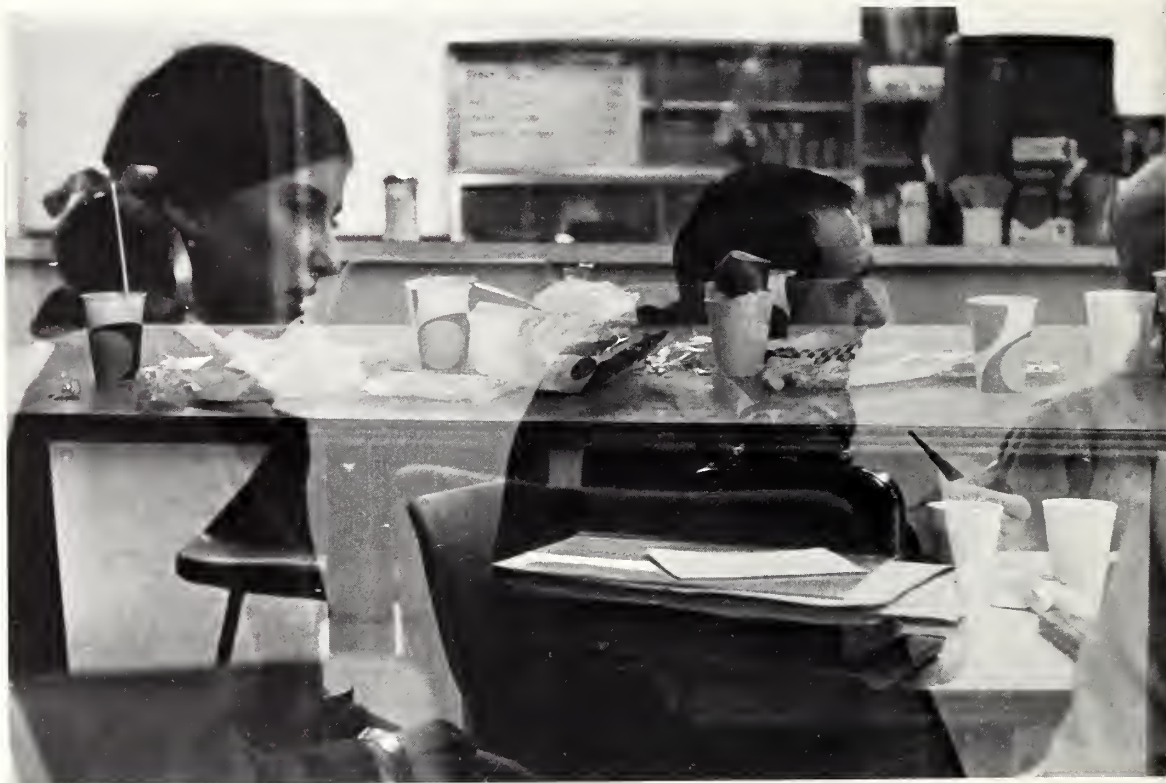

and a time to heal ,

a time to break down ,

*and a time to
build up ,*

A time to weep,

and a time to laugh ,

and a time to dance

and a time

to gather

stones together ,

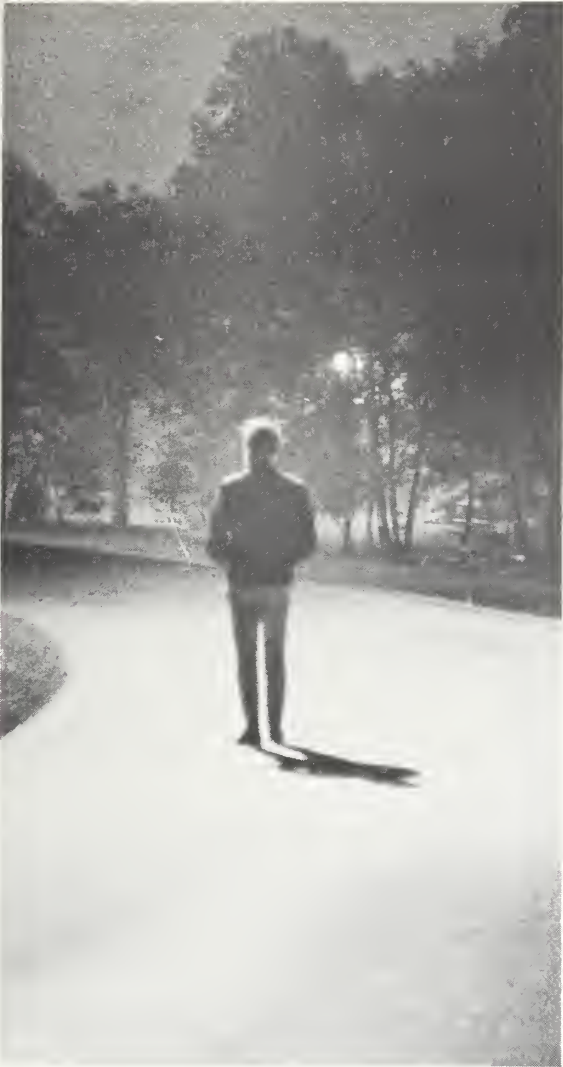

a time to embrace ,

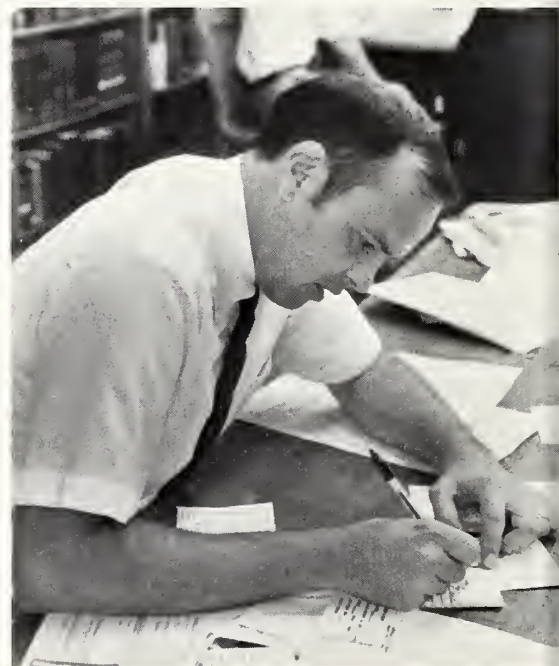

and a time to refrain

from embracing ,

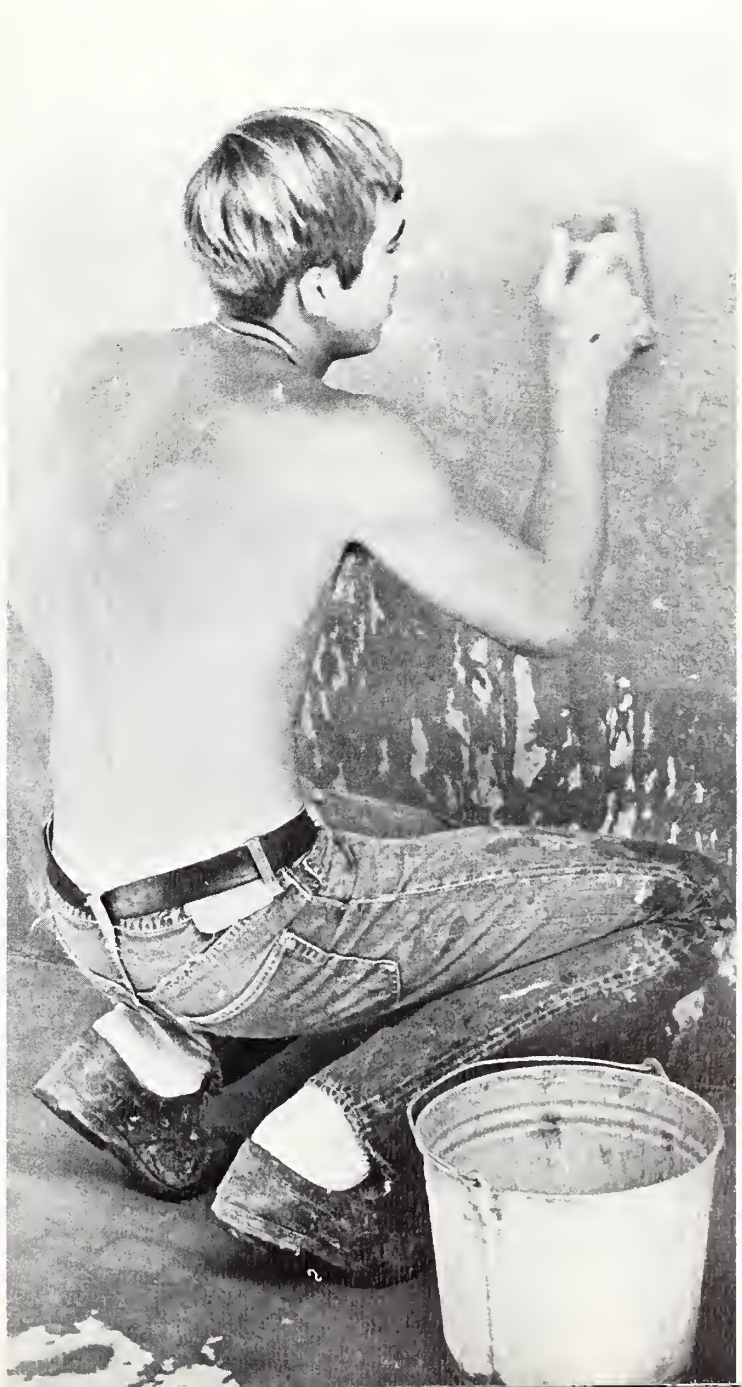

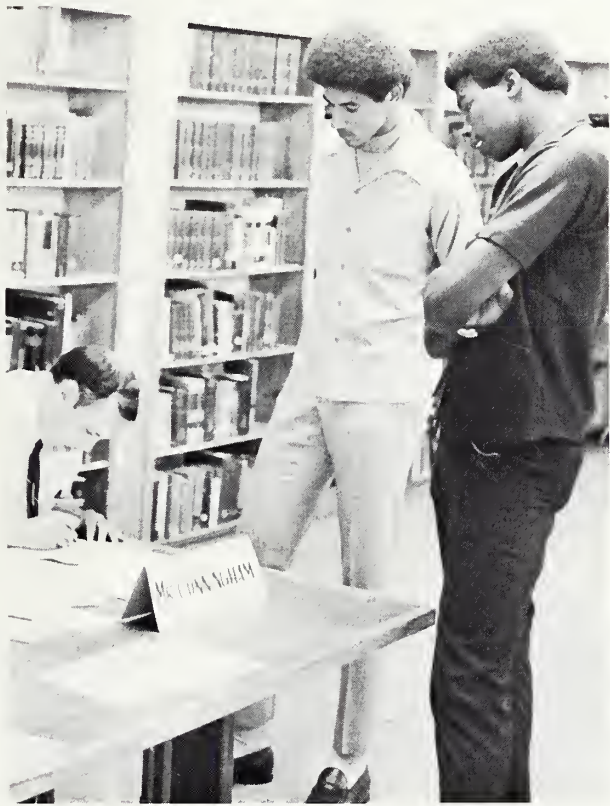

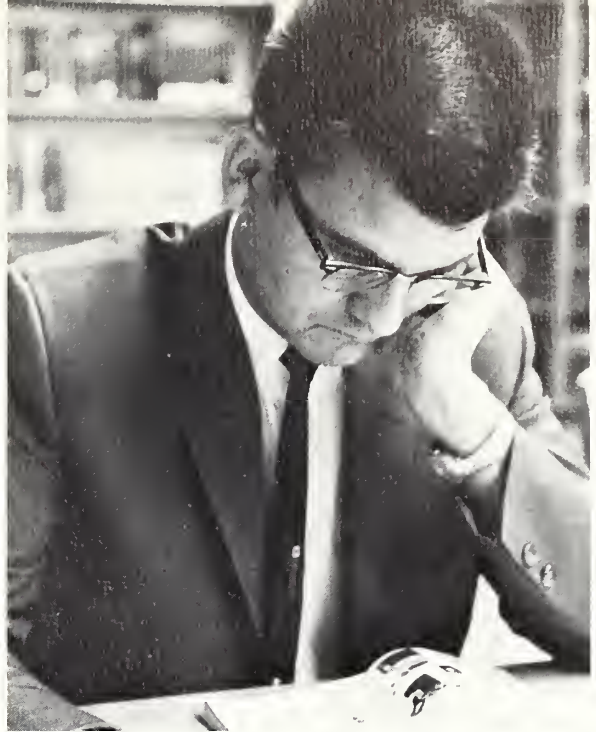

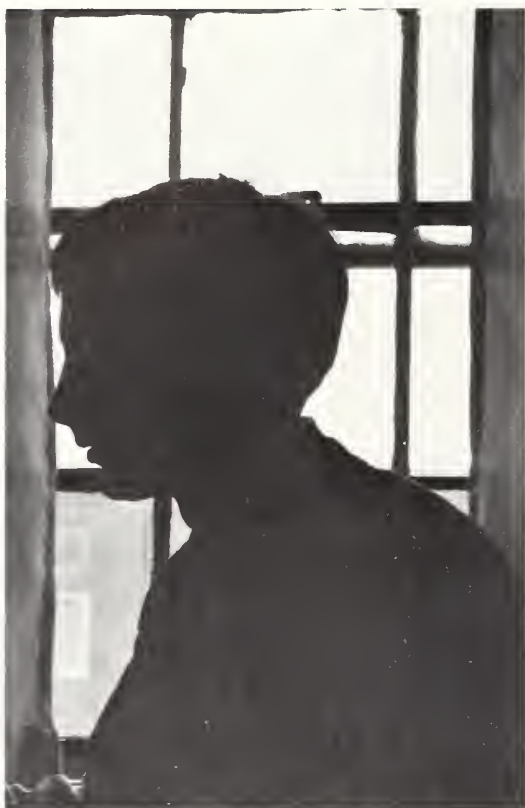

A time to get ,

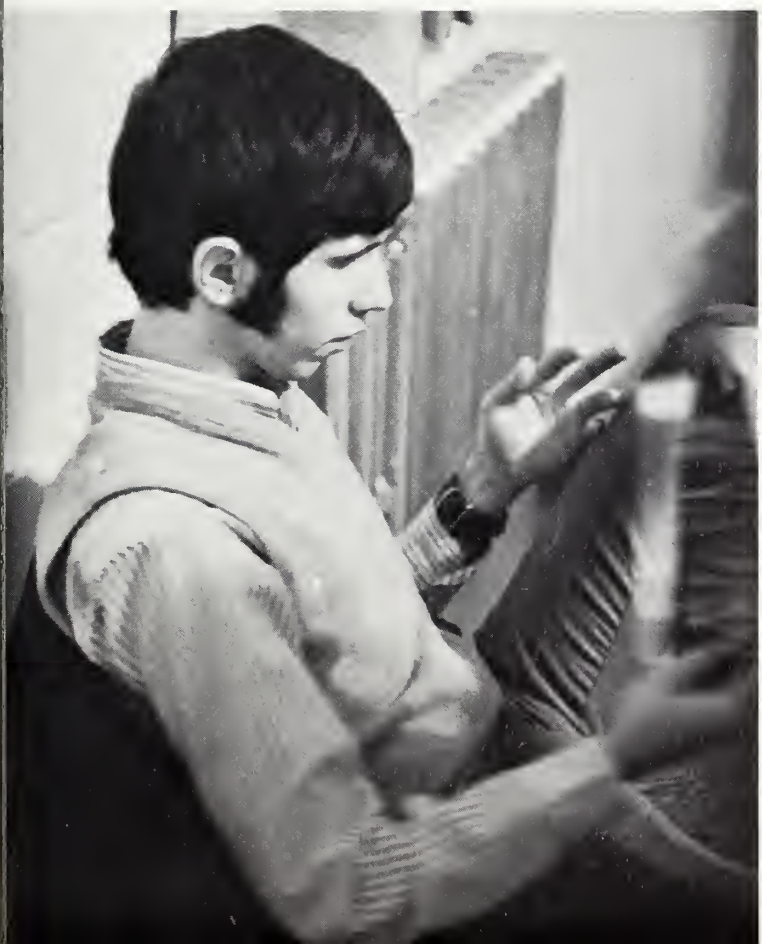

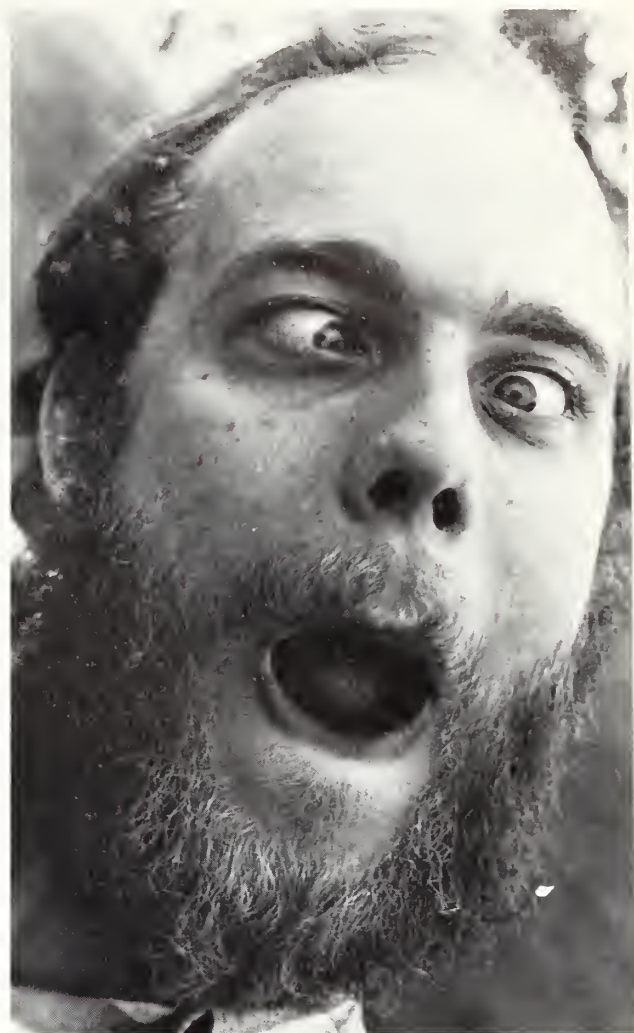

and a time to loose ,

a time to keep

and a time to

cast away,

A time to rend,

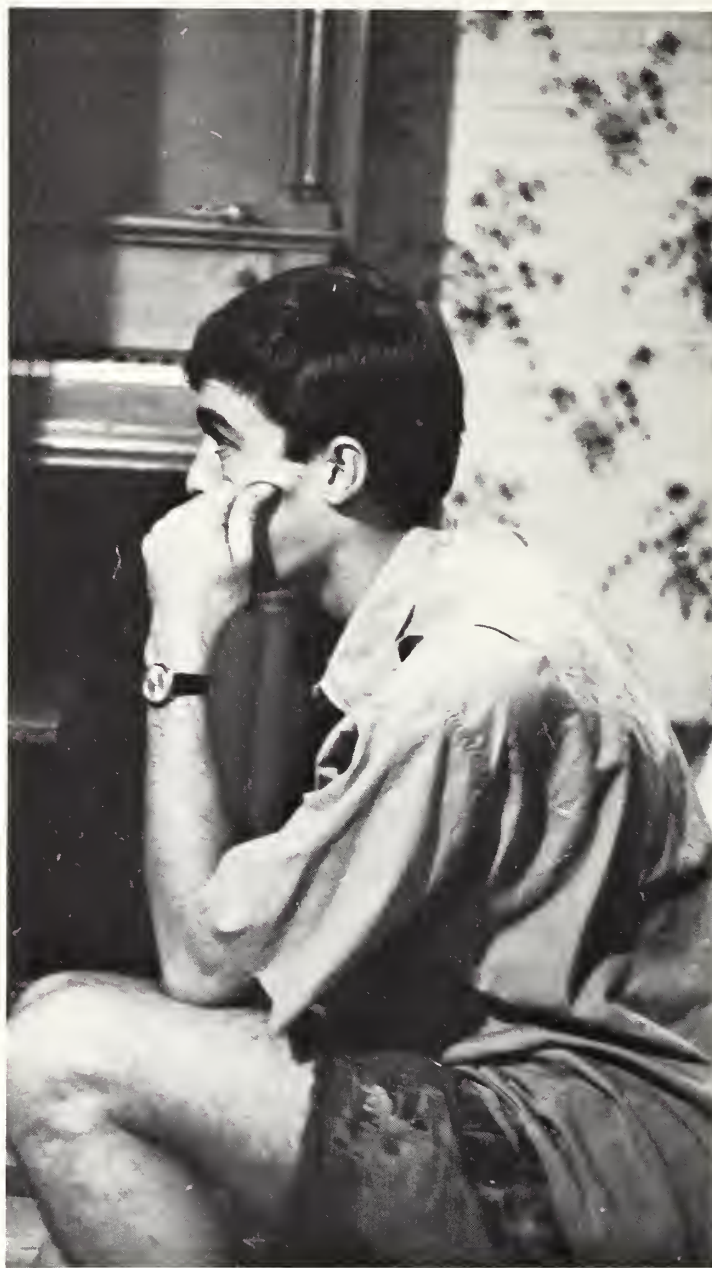

and a time to sew,

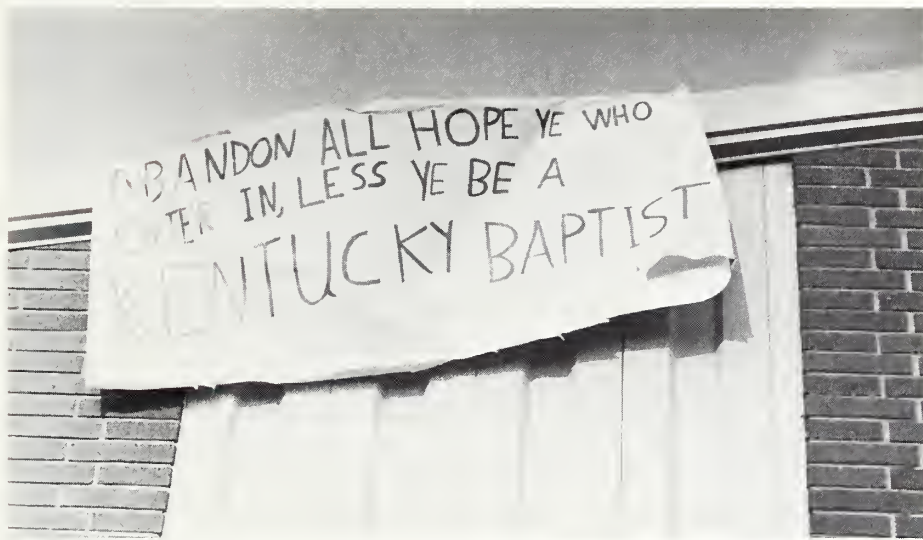

*a time to
keep silence,*

and a time to speak,

A time to love,

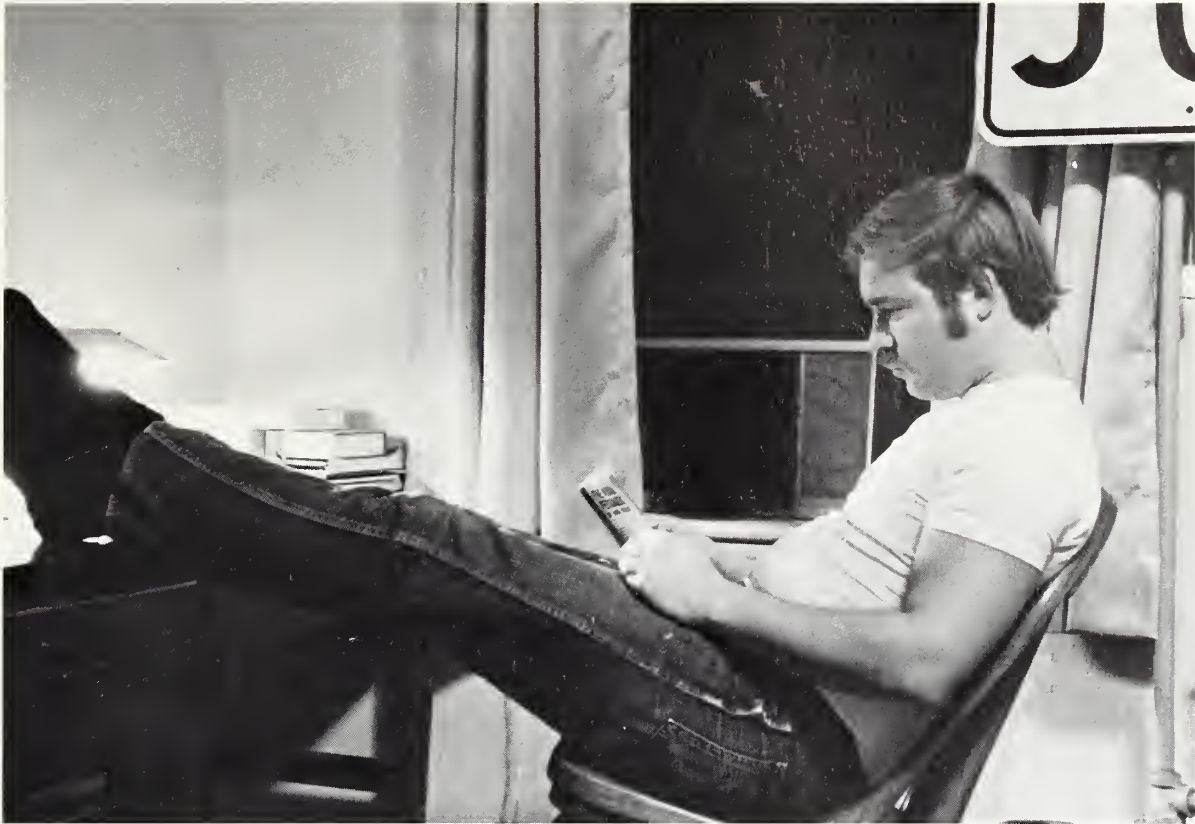

and a time to hate,

a time of war,

and a time of peace.

***IN DEDICATION and MEMORY
of
SUZANNE MAUPIN STROTH***

There is a time when the clouds hide the sun, moon, and stars. There is a time when tears blur the vision and we have a hard time seeing tomorrow or understanding today. There is a time for remembering the good times and forgetting the bad.

We, the Maple Trail Staff, feel that there is a time to recognize she who from our midst was taken. She was loved by all and is now dearly missed. For H.I., Tracy, and Laura, it is a time to adjust and grow. For all it is a time to remember.

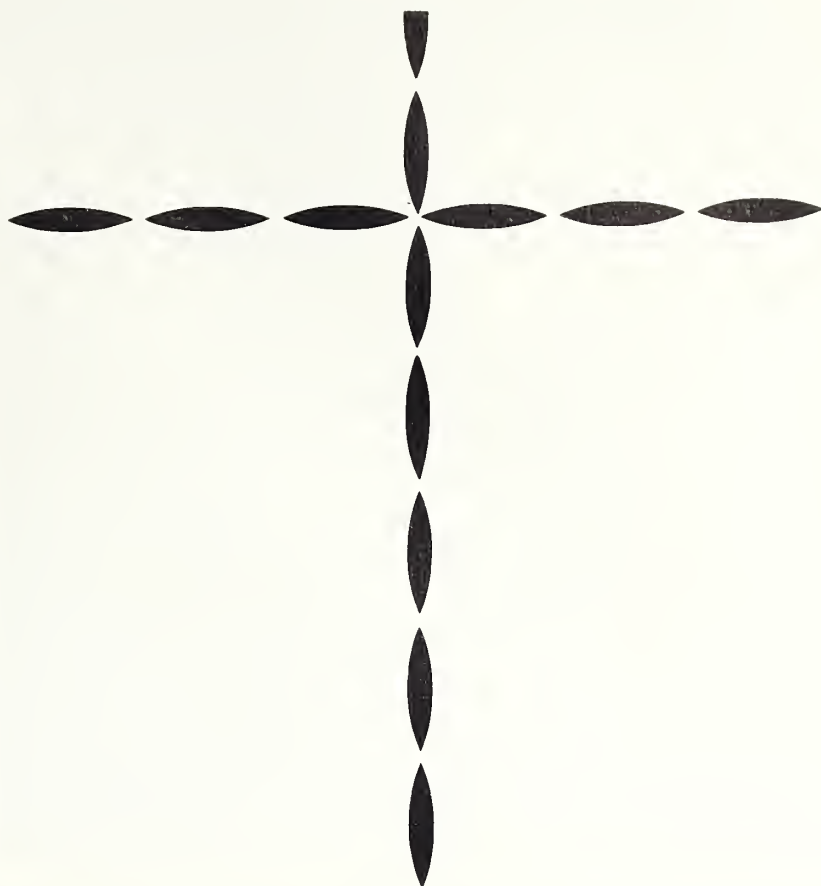

ADMINISTRATION & STAFF

Our President Dr. Randy Davenport

To be a leader and to take over when needed takes a man with time to work. In Dr. Davenport, Campbellsville College found this man. It is now a time for new things, new ideas, new horizons, new hope.....

WILLIAM MISCALL III

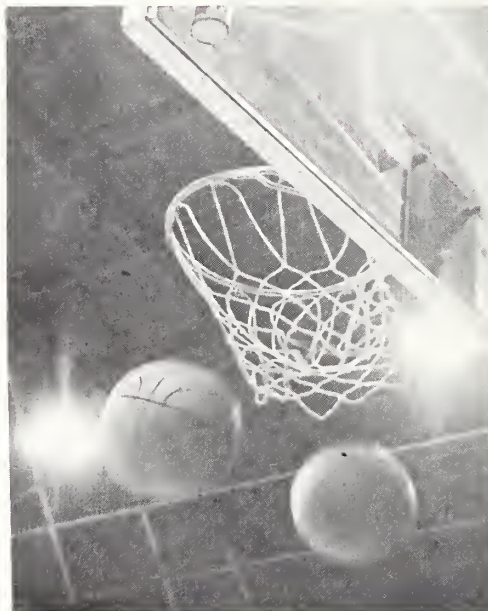

"As long as Fred makes it, let him shoot."

"Don't care how it looks, long as it goes in."

The coach talks, inspires, and endeavors to lead his team to victory in the KIAC-when the Tigers are not on the floor shooting, they are huddled around "Coach," receiving those valuable words of inspiration.

Either a UFO or someone has been breaking training.

"B-A-S-K-E-T-B-A-L-L, Lurch, ever seen one before?"

"If I'd wanted you to play for them, I'd have given you another uniform!"

"Just lay there till you think you can play a decent game."

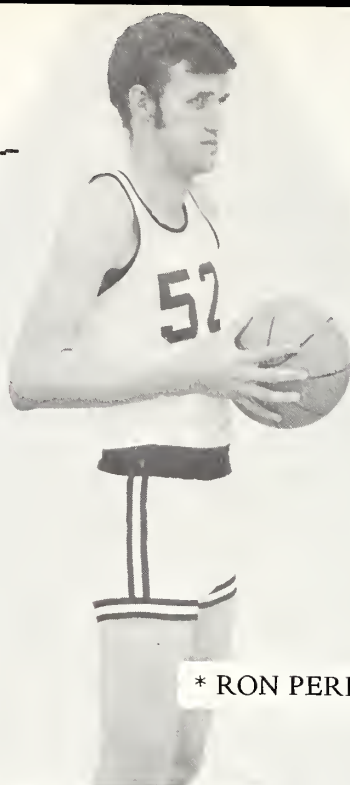

"This is our 'free shot for them' play."

"All right—twenty point lead, two minutes to play. Think you can hold it?"

THE '69 - '70 TENNIS TEAM

The 1969-1970 Tennis Team: Kenny Hurt, Walter Sweatt, Larry Bates, Steve Small, Coach Don Bishop, "Hoot" Miller, Ken DeHart, and Roger Montgomery.

Steve Small takes a perfect-form backhand as he finishes up his forth year as a varsity tennis player.....

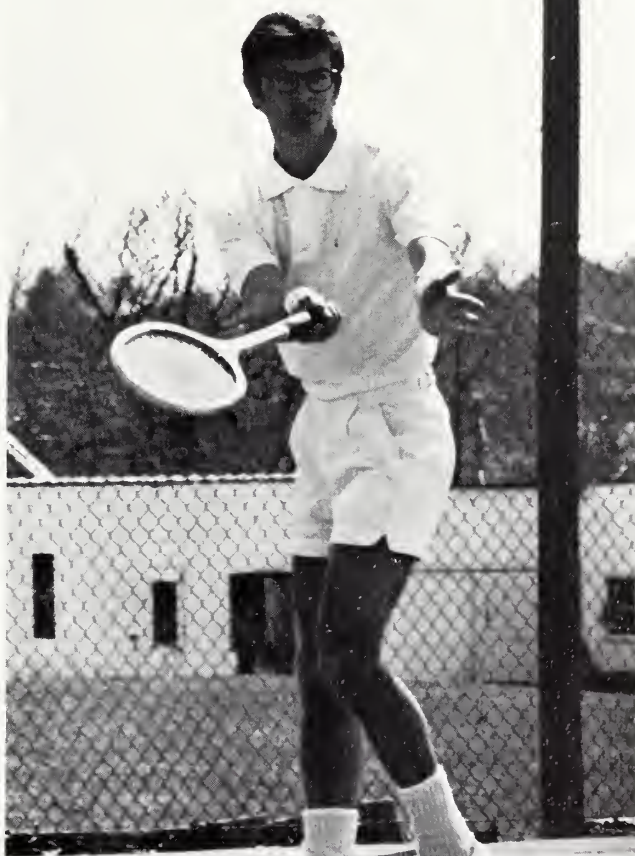

Larry Bates has strange form but he was a great asset to the tennis team for the past few years....

Ken DeHart has great form also and he too is completing his forth year as a varsity tennis player.....

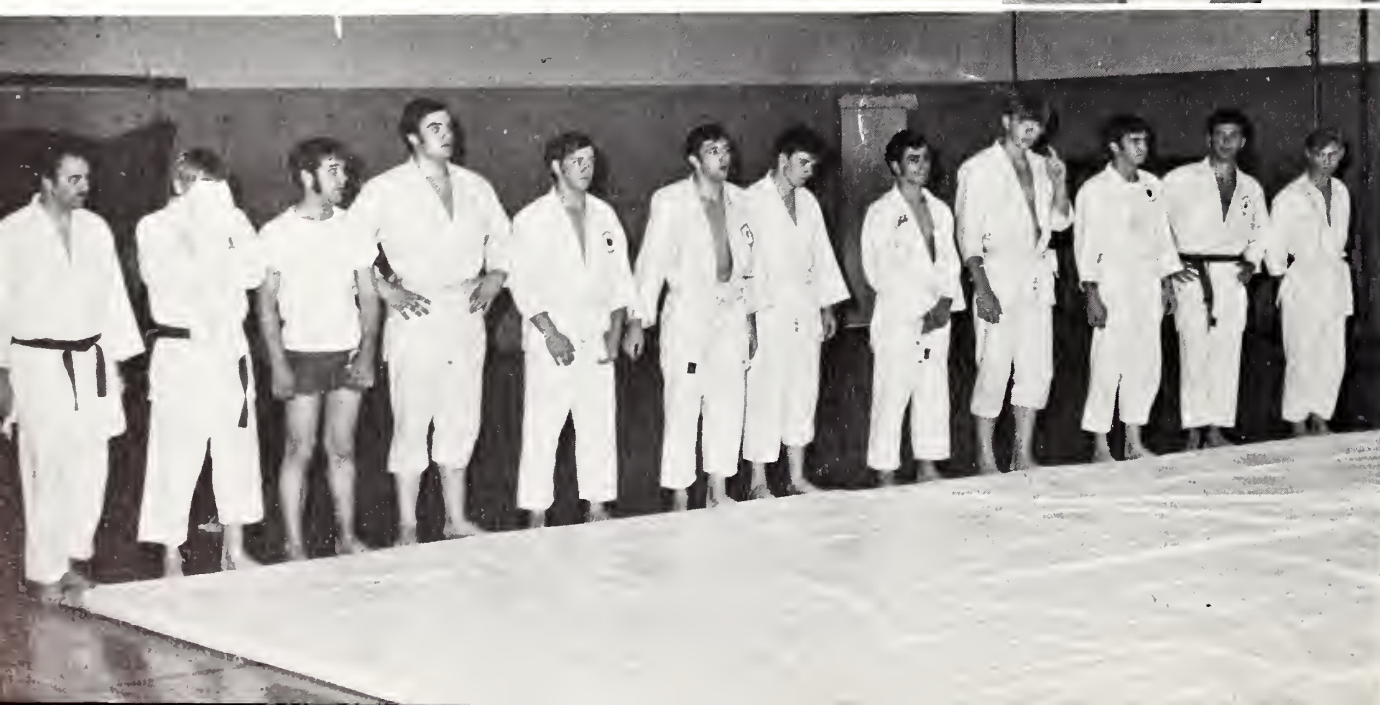

JUDO

- The Gentle Way

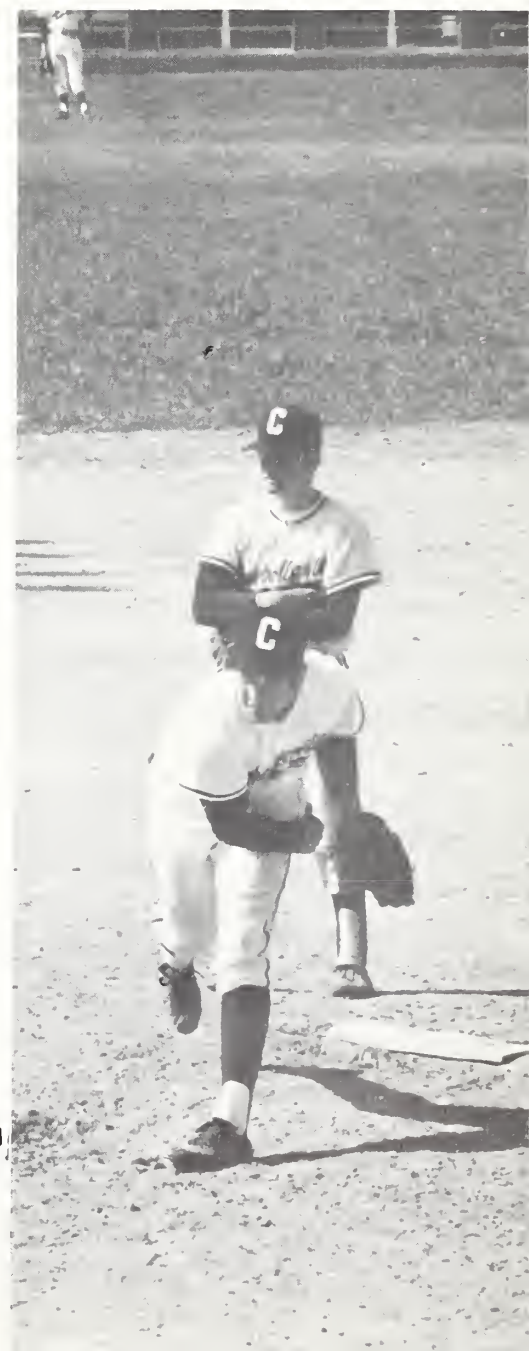

Man against man....That is what Judo is all about. You can't pass the ball off or sit on the sidelines for a minute. It's three minutes out on the mats all by yourself, fighting for a victory. But in the end it is all worth it.....

● BASEBALL

*Running, hitting, throwing..... You have to be good
at all three in order to play the one : BASEBALL....
Because of tragedy a team picture could not be made.
The irony of life. Live and die because of sports.....*

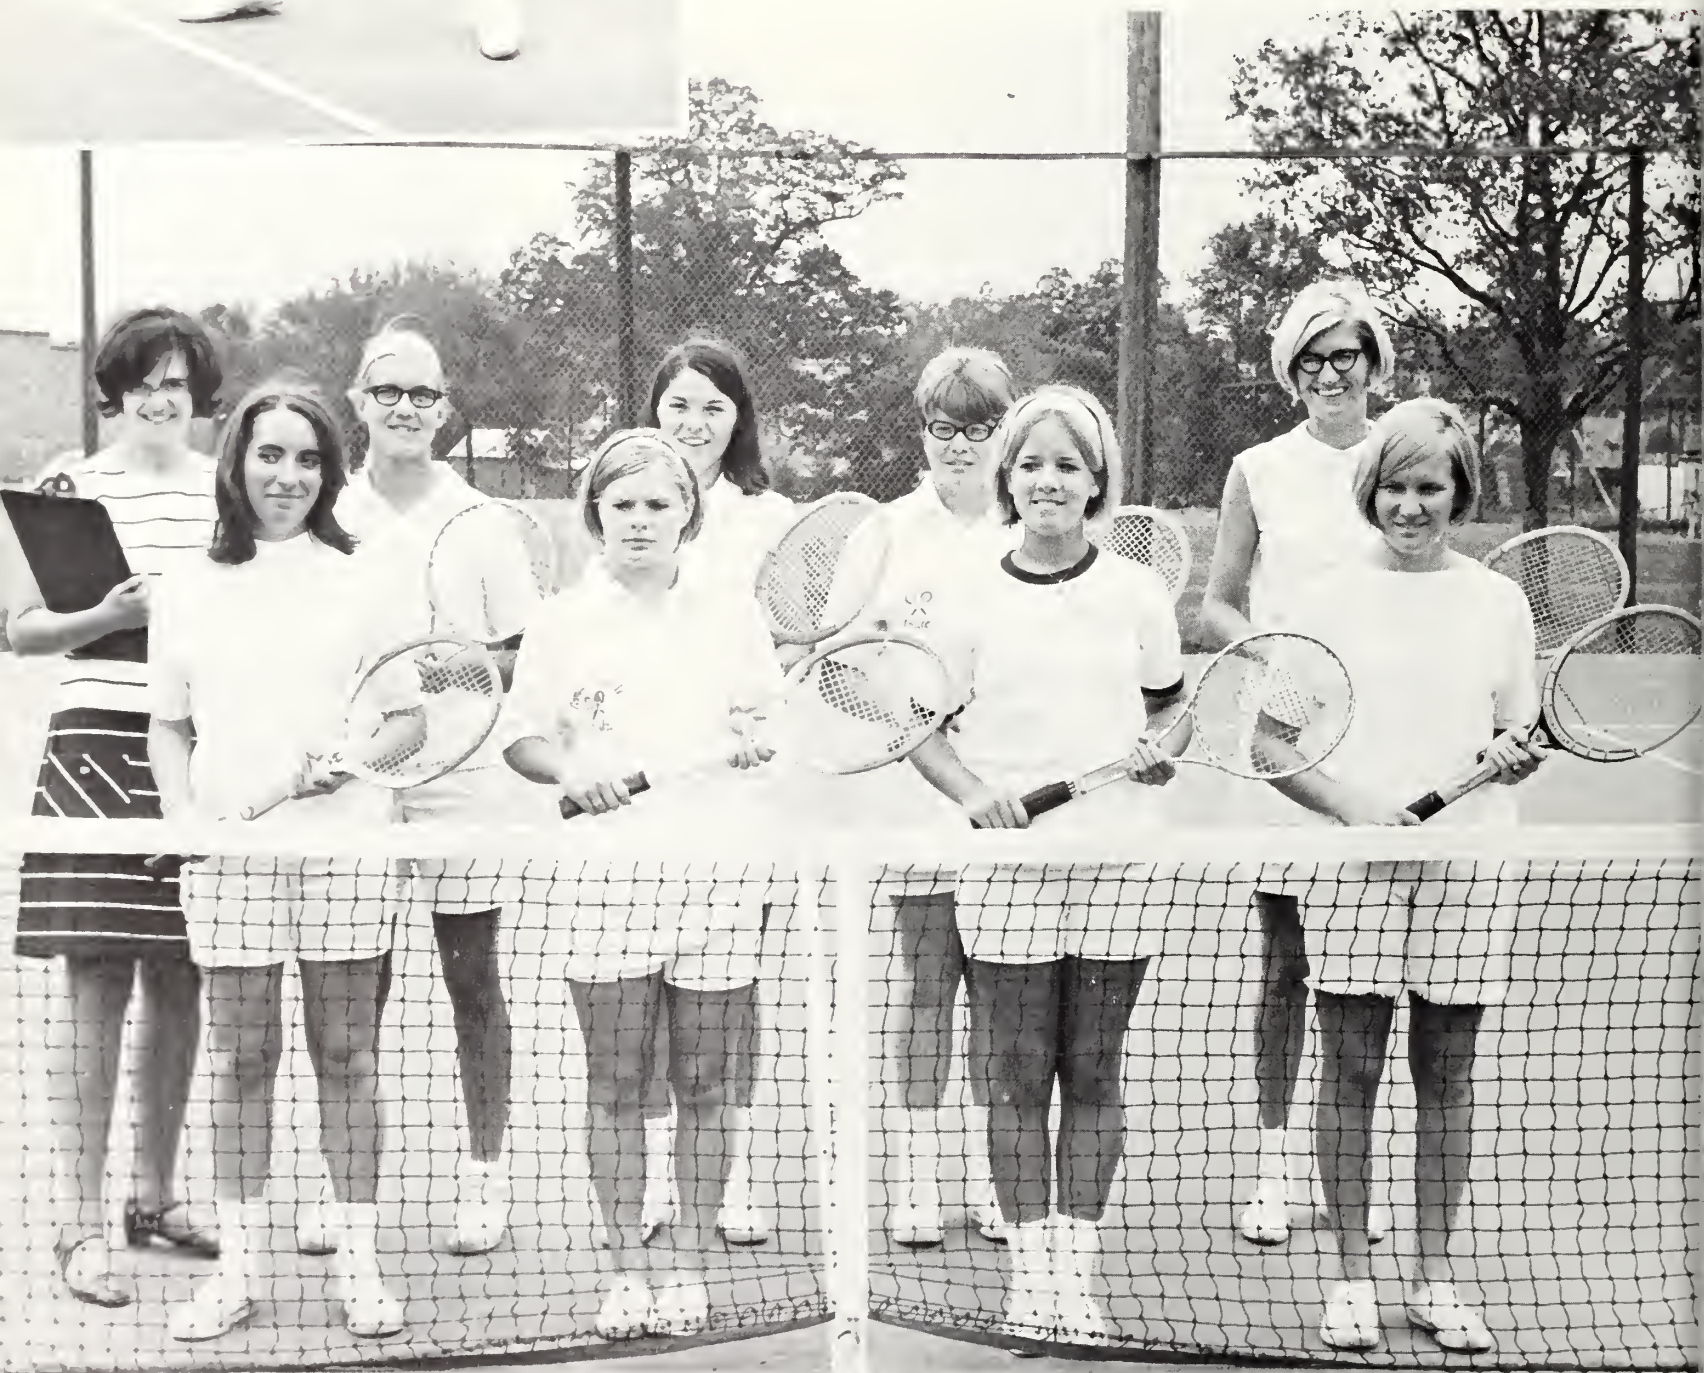

Girls Sports

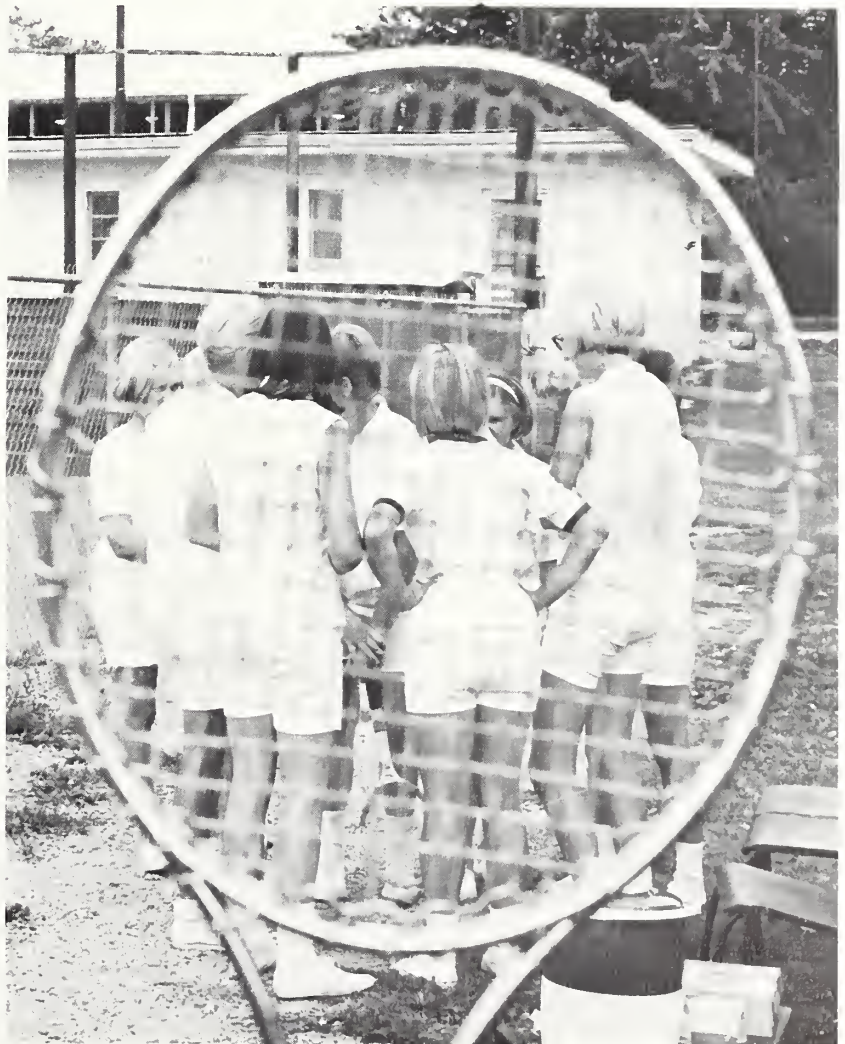

Not much is said about girls sports but it's a growing thing at Campbellsville College. These girls have a desire to win and often even a talent for winning. They are a strong group of dedicated athletes. The Maple Trail wishes these girls now and in the future all the luck in the world.....

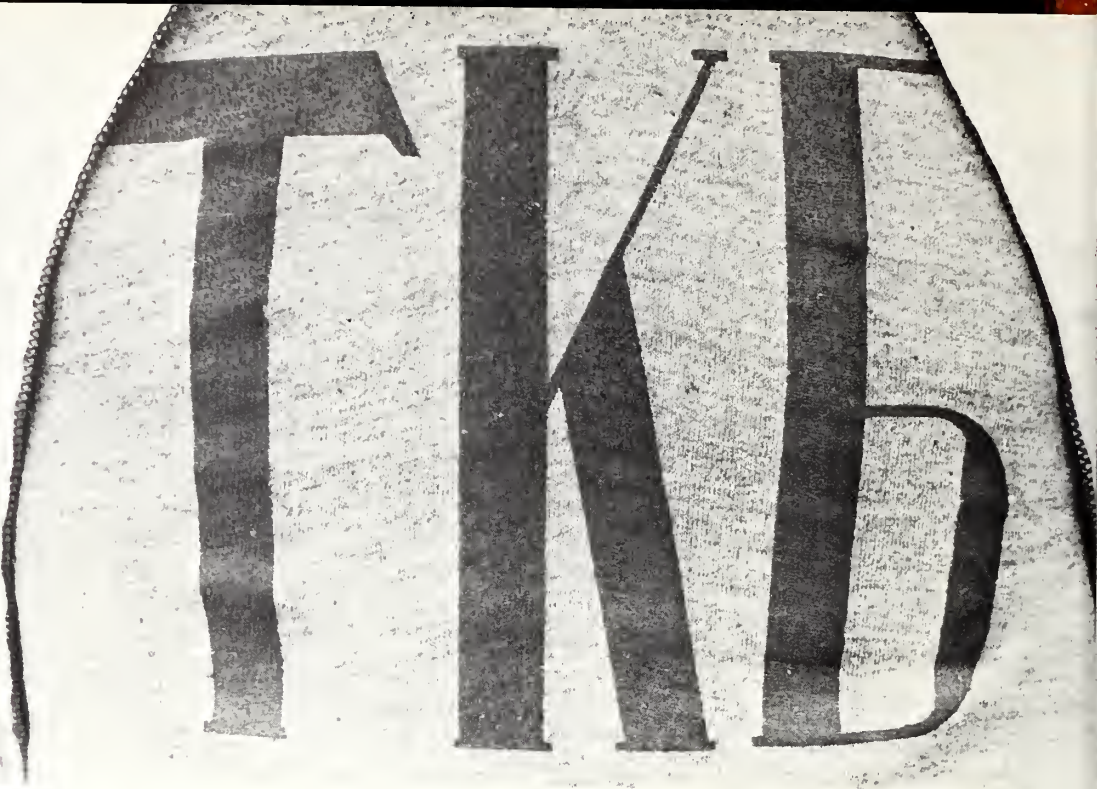

TENNIS

& BASKETBALL

INTRAMURAL CHAMPS

SWEET VICTORY.....

As soon as he touches it, jump on him.....

It takes teamwork to be champions.

It takes desire and an attitude of winning. Though scoffed at and scorned by all others, TKB came through the 69-70 intramural season on top.

Not bad for an expansion team.....

The ups and downs of a winning team.....

That great defense that is so important to an undefeated team.....

T'WAS ON THE SEVENTEENTH

T'was on the seventeenth, if I recall
That the Board of Trustees had quite a ball,
Motion and seconds and all that stuff
That left all the student in a huff.

"Tis unfair," the preacher said strongly,
"To have students represented ever so wrongly.
Kentucky Baptists, they ought to be,
For they're the only ones who can really see.

Catholics & Jews and Chruch of Christ
Have on privilege of student rights,
Just keep your place, as in days of old
While we take your money, & your billfold.

Now it's not just Baptist, as you plainly see
That need to serve on the Board of Trustees,
It's Kentucky Baptist all the way
For they were organized in Jesus' day.

Now all you Baptist from the other states
We're glad to have you within our gates,
as far as we're concerned, your mighty fine
Just wished you'd lived across the state line.

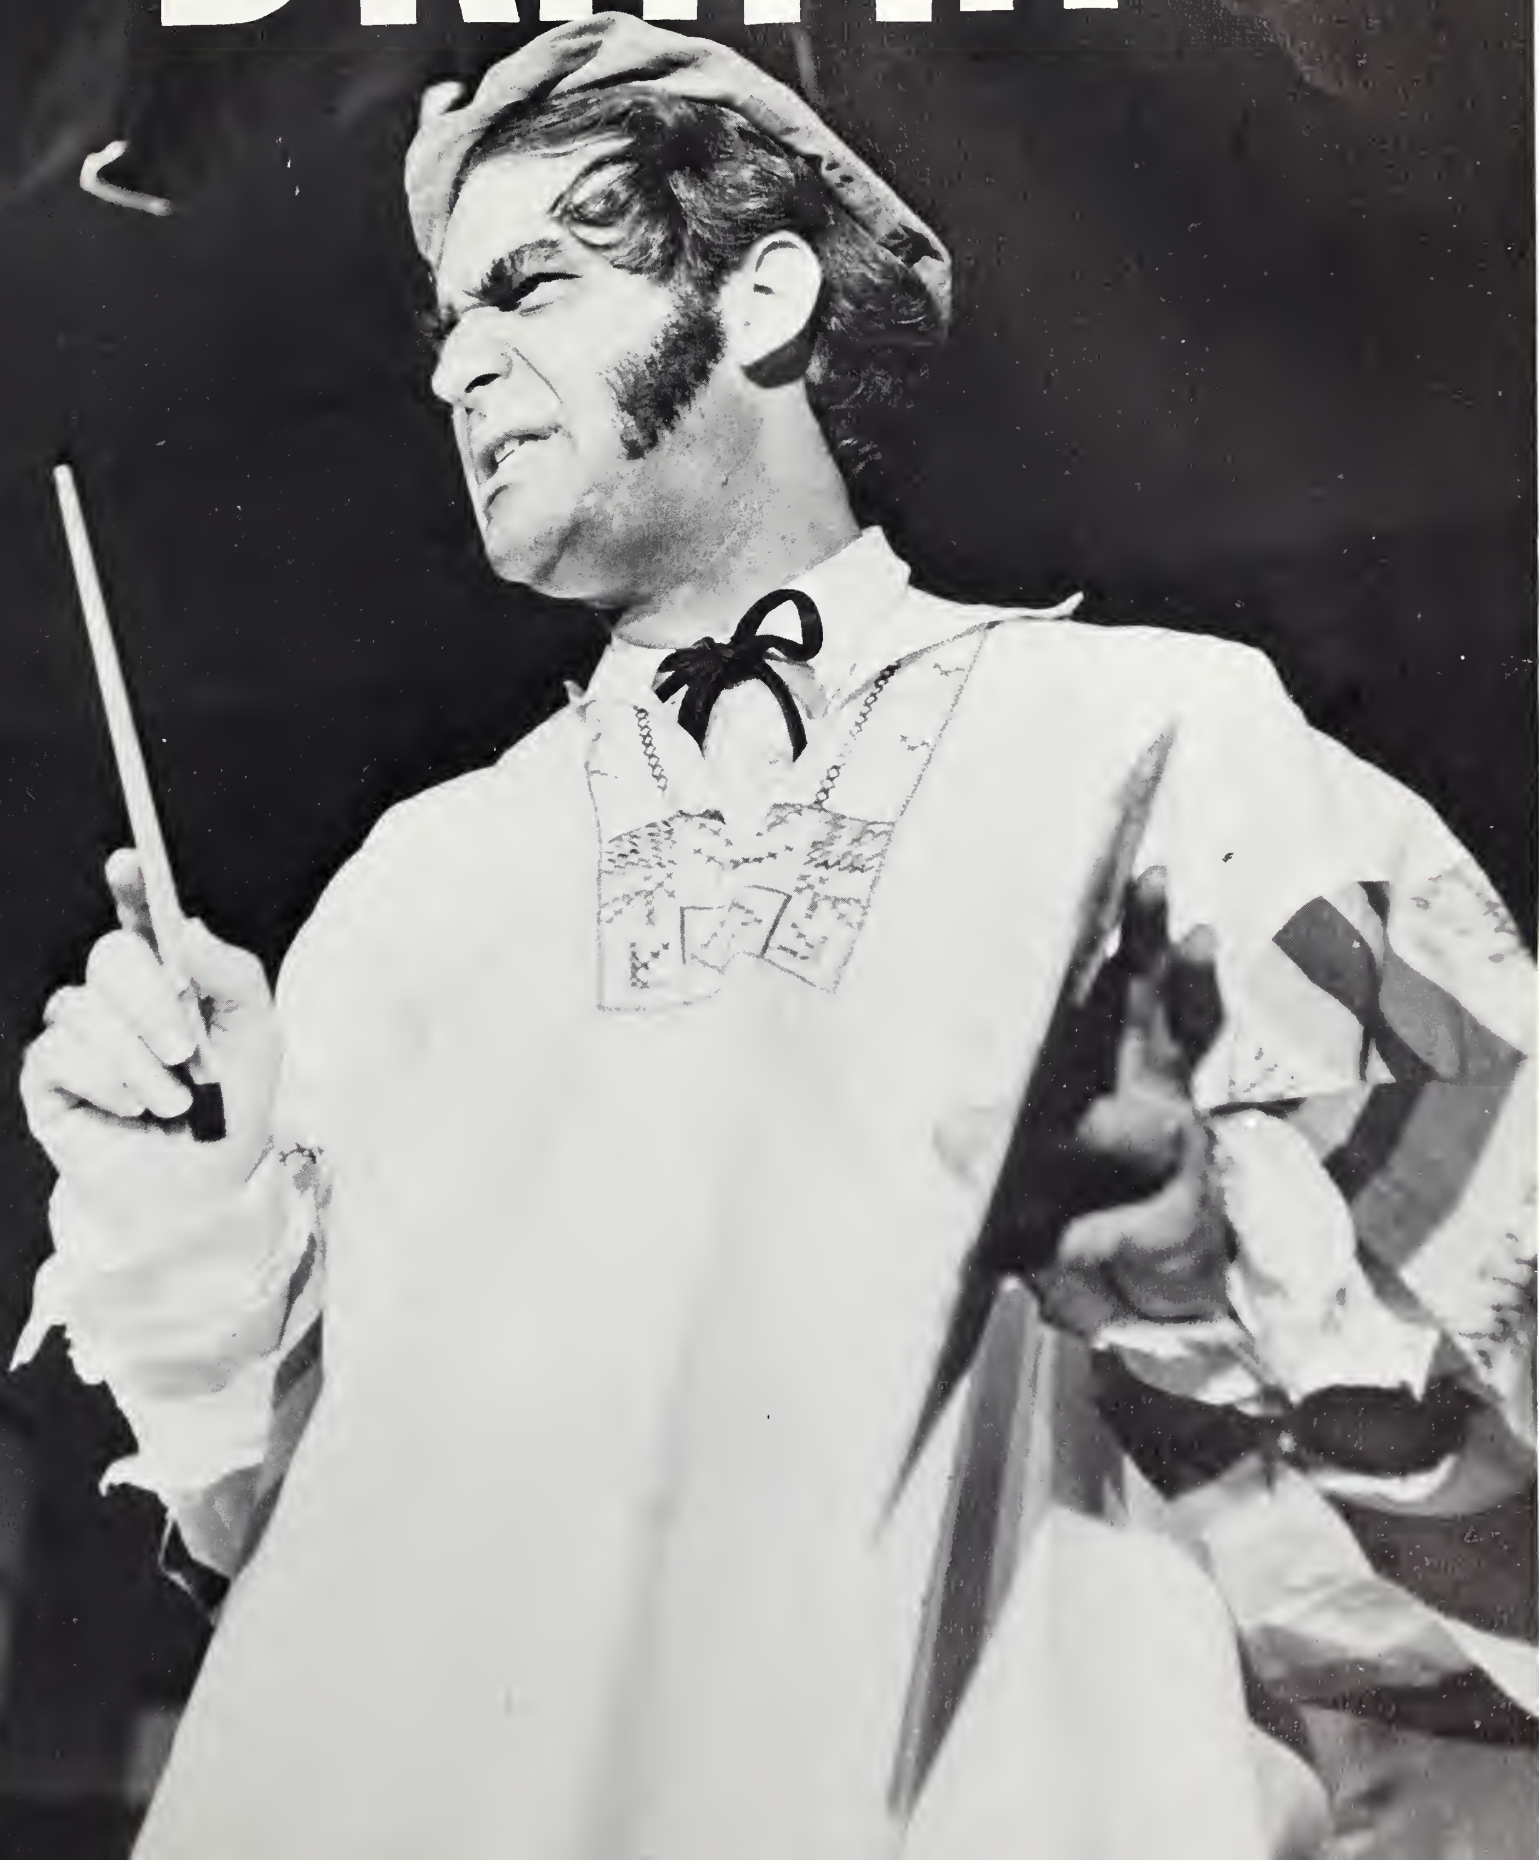

Some of the members awakened with a jolt
And they stood to their feet in time to vote,
They rubbed their eyes, trying to find out
What in the world they were voting about.

"Since this is done," the chairman said,
"Now let's get on with business ahead,
It's time to send for the man called 'Mouse'
Since we're through discussing about Lebanon House."

Let's go home, it's time, you see
We've chased the students up a tree."
They laughed and joked rather gleefully,
completely unaware they had sat on a bee,

BUMBLE-THAT IS.

There is a time to print the news and to inform the students as to what is going on. It is sometimes a hard and thankless job , but it is also a job of great satisfaction. A lot is up to the editor. If he can't do the job, neither can the paper do it's job.....

I take that last little walk around campus and think of my four years here. I remember the buildings that were here and see those that have come to take their place. But then that's just a small part of the whole. I see how the trees have grown and how some have died. But what do I have to take with me when I leave this place? What will always be there

when the days ahead of me become foggy and misty with age. What will I remember when I see my last sunset and close my eyes for that darkest time? What is Campbellsville College?

I will see people.... I will see faces that the winds of chance blew across my path. I will hear voices that echoed at one time across the classroom, the stage, or the campus. I will feel in my heart a longing to once again be with those that were such a great part of my life. I will remember nicknames, that we in our youth conferred upon each other. Names such as Deeter, Mouse, Sticks, John Ed, Stevie Wonder, Dumbo, Rojo, Seven, Boone, Broadway, and many others. I will remember people crying for loss of loved ones; I will see people laughing because life is so wonderful; I will see people sick because

*Soon I will walk away from the
campus and find my place in the
sun. I will retreat back up north and
with a heart full of fantastic memories
I'll do the best I can with that which
Campbellsville has given me.*

*I would like to thank a few people
who helped me so unselfishly on
this annual. Without these peoples'
help, the Maple Trail would not have
been.*

*because of the food or drink; I will
see people in love...
We came to Campbellsville for an
education. We came to climb the tree
of knowledge and with it's branches
we are to build our lives. But where
would we be without the friendships
spawned here. Campbellsville has been
called the arm-pit of the world, the
buckle on the Bible-belt, a co-
educational nursery, and a few other
choice names, but I believe those
that have passed through its portals
remember it fondly and dearly.*

*Before throwing garbage in someone
else's back yard, be sure to clean
up your own. And don't be so
quick to criticize what others may
do--the whole world loves a lover.....*

*I thank Roger Davis for his great
help on the cover.*

*I thank Jim Roller for his many
hours of painstaking labor.*

*I thank John Kanis for his help on
make-up. He did the work that others
should have done.*

*And most of all, I thank Becky
Poole. Many hours did she help me
though others would say we were
doing otherwise.*
